

Provider Communication

Subject: Health Check HIPAA Changes	Priority: High
Date: November 19, 2004	Message ID: ACSBNR-11192004-1

Dear Health Check Provider:

The Health Check HIPAA changes that will occur in the future are available on the Web Portal for your review. For information regarding when these changes will occur, please watch your banner messages.

Topics include:

- HIPAA compliant coding
- Health Check billing compliance guidelines you must follow
- How to reduce denials and increase reimbursement
- Examples to incorporate HIPAA Health Check Mandatory Referrals on Encounter forms, Super bills, etc.

Follow these instructions to access the document:

1. Go to the GHP Web Portal www.ghp.georgia.gov.
2. Click the "Provider Information" tab.
3. In the "Documents & Forms" box click the "View Full List" link.
4. Click the "Health Check HIPAA Billing Teleconference" link.

Sincerely,

Department of Community Health
